FASHION SHOW FOR DEMO WOMEN — Mmes. H. J. Warner, John Dail and Geneva Engelstad, all of Lemon Grove, check reservations for the luncheon-fashion show to be held at the Hotel del Coronado April 4. The women comprise the local chairman's committee.

Local Leaders Aid Democratic Women Fashion Show-Luncheon

Mrs. Geneva Engelstad, of 2502 Buena Vista ave., has been appointed chairman of the Lemon Grove area for a luncheon and fashion show to be sponsored by Democratic Women throughout San Diego County.

The affair will be held in the main ballroom of Hotel del Coronado on Saturday, April 4, 11 a.m. to 2:30 p.m. Fashion showings are under the direction of Roberta Kraft, Lemon Grove fashion co-ordinator.

Local women who will serve on Mrs. Engelstad's committee are Mrs. H. J. Warner, of 7815 Mt. Vernon and Mrs. John B. Dail, 3240 Olive. Reservations for tables for eight or ten persons, or single reservations may be made through them.

Each area chairman has furnished an invitation list for her area, organized a telephone follow-up to be conducted by her committee after the invitations are out; and, in order to insure local coverage, enlisted the cooperation of local newspapers.

Those interested in attending who may not have received an invitation are advised to contact Mrs. Engelstad, Mrs. Warner, or Mrs. Dail.

Mrs. Gerald E. Dunbar, of Vista, is general chairman; Mrs. William Mann. Pt. Loma, hostesses; Miss Sandra Driver, San Diego, invitation lists; Mrs. Edward Whitton, Kearny Mesa, invitation addressing; Mrs. Heber McGinness, La Jolla, printing; Mrs. John Dail, Lemon Grove, reservations; Mmes. John Mooney, Clarimont, Theron Preston, Escondido, and Michael Prior, El Cajon, decorations; Mrs. Al Schneider, La Jolla, door prizes; Mrs. John Landesco, Lemon Grove, publicity.

It is the first purely social affair of its kind that has been undertaken by the County's Democratic women, and follows the highly successful reception in honor of Mrs. Lyndon Johnson, wife of the then Vice President of the United States, and now First Lady, that was held in the Cuyamaca Club, San Diego, in late October.

Dick Wilson

Dick Wilson Tosses Hat In

Richard "Dick" Wilson, defeated two years ago in the race for the 37th District Congressional race by U.S. Congressman Lionel Van Deerlin, is going to make the race again this year. Van Deerlin narrowly defeated Wilson in 1962.

In announcing his candidacy, Wilson, 50, the older brother of U. S. Congressman Bob Wilson (R. San Diego) said "I intend to defeat the incumbent on the basis of his do-nothing record, his arrogant attitude toward the problems of the working people of the 37th District and his obvious lack of ability to do the job. He has voted time and again against the people of this District. He has been against everything from lunch-buckets to bombers. He should be retired from office.

"I shall present a positive program for progress under the American free system. Democrats and Republicans and all who believe in less government and more freedom, less taxes, less Federal expenses and more money to take home; — people who believe as I do that a permanent peace can be achieved instead of constant appeasement, people who want the benefits of our wonderful American way of life for their children and grandchildren, people who are proud to be patriotic.

"To all these I pledge that I shall champion their cause and work for them in the Congress of the United States.

"I am not going to campaign

L.G. Chamber Election Slated

Fourteen names will appear on the annual election ballot of the Lemon Grove Chamber of Commerce it was announced Thursday by Charles Hesser, nominations chairman.

He said there will be six positions to be filled.

New directors and new officers will be installed at a dinner meeting May 2, President Sam Pernicano said.

Directors, once seated, will elect a president, vice president, secretary and treasurer.

At the Thursday meeting, the Street Improvement Committee said Palm st. west of Hardy dr., is soon to be widened by the County road department.

Lighting Committee Chairman pro-tem Jack Cummings said the lighting district proposed for the San Altos area was in the last stages of government study and that approval for the district would probably be given within the "next several weeks".

Jaycees Install 79 Safety Belts During Week

Seat belts, 79 of them, were installed in autos here Saturday and Sunday by Lemon Grove Jaycees in their Seat Belt Clinic project.

Installations will be made again this week-end according to F. G. Salas, Jaycee's project chairman.

Salas, who is in the marketing department of the PacTel-Co., is also Jaycees state director.

He said that the club expects to have more than 200 belts installed when the project ends Sunday.

Belts are being installed at the gasoline service station at 7605 Broadway Saturday and Sunday from 10 a.m. to 5 p.m. for each $5 belt. About 25 cents of this amount is profit and remains in the club to use on other community projects, Salas said.

Of the 79 installations, only one caused any difficulty, he said. A driver, owning a Ford Econoline, had mounted a seat for his youngster on the motor cover which is located between the passenger and driver seats.

It is perhaps the only auto in town with three safety belts in the front.

Final Extension Given Petitioners For Incorporation of Lemon Grove

SAN DIEGO (CNS) — The County Board of Supervisors Tuesday granted what it called its final extension to the incorporation proponents in Lemon Grove.

The Board voted to notify Frank Armstrong, chairman of the Lemon Grove Committee for Incorporation, that this third extension of time for the drive to get enough signatures to bring the incorporation to a vote will be the last.

County Counsel Bertram McLees said that the board can grant as many of the 30-day exensions as it wishes but suggested that the original petition signers might have even changed their minds by now.

Armstrong said enough signatures will be obtained in a few week.

Signatures of 25 per cent of the property owners representing 25 per cent of the assessed valuation are required before the supervisors can be requested to call an election.

3,000 signatures are sought by the committee, Armstrong said. The group has 2,100. 2,572 names, if they are all valid, are sufficient. The group wants about 400 names as a safety measure, he said.

The notice of intention to circulate petitions was filed in September, prior to the day the Local Agency Formation Commission became effective. As long as extensions are obtained on the original request, the Lemon Grove Committee may stay free of the Local Formation Committee.

The proposed City of Lemon Grove will contain five square miles and have a population of 30,000. At the time the petition was filed it was estimated that the population would be 25,000 A school district estimate of the area indicated the increase.

John Dail Campaign to Get Underway At a Democratic Club Open House

An open house will be held in the new John Dail Campaign Headquarters, 7896 Boardway, Lemon Grove, at 7:30 p.m. Monday, March 16. It will be sponsored by the Lemon Grove Democratic Club.

Dail was recently endorsed as a candidate for state assemblyman by Democratic clubs in the 77th District that are affiliated with the California Democratic Council, a 70,000 member organization. Dail will formally launch his local campaign at the open house. Ross Clark, field representative of the State Democratic Council, will be featured speaker and will outline campaign techniques that have been successful in other areas of the state.

Dail is a member of Lemon Grove Kiwanis and the PTA Executive Council; chairman of the Merchant's Division of the local Chamber of Commerce; president of the Men's Club; past master of the Masonic Lodge, which he helped to found; and finance chairman of the Congregational Church.

According to Armando Rodriguez, president of the local Democratic club, the public is invited to the open house to greet the candidate and get acquainted with his campaign supporters.

In addition to Grossmont, the other participating schools are Palomar, Imperial Valley, Southwestern, Oceanside-Carlsbad, San Diego Mesa, San Diego City and San Diego Evening Colleges.

County Parks To Appeal Closing Of VLM LL Park

SAN DIEGO (CNS) — Biff Gardner, director of the County Park and Recreation Department, says that his department will appeal the decision of the County Planning Commission to not grant renewal of the special use permit of the Vista La Mesa Little League.

The commission's action is a recommendation to the Board of Supervisors but, according to Don Cherrier, assistant planning director, it takes a four-fifth vote of the supervisors to override the commission on variances and special use permits.

Gardner said this his department will appeal to the board because it is the agency which holds the permit.

The commission voted not to extend the Vista La Mesa permit but granted a one-year extension for the Rolando Park Little League.

William Hodgson, Gardner's assistant, said that the county works with Little League organizations because this is one way that the county can get parks developed and maintained without going into a large supervision and maintenance program of its own. Hodgson said that the Board of Supervisors has a policy that the county should not furnish city-type recreation programs.

He said that the Planning Commission had opposed the granting of the Vista La Mesa permit when it was first granted but that the planners were overruled by the board.

Danny Thomas

Dan Thomas In 37th District Congress Race

Dan Thomas, 36, Spring Valley businessman and real estate developer, Monday announced his candidacy for the Republican nomination in the 37th Congressional District.

Monday night he was endorsed by the 37th Congressional District California Republican Assembly which is made up of five groups. In the voting Thomas got 48 votes over Wilson 2, and W. Faulwetter 1.

Thomas said, "The people of the 37th Congressional District do not now have a representative in Washington; rather, we have a Washington representative here".

Thomas promises a hard-hitting campaign for the Republican nomination to the 37th Congressional District. He said that this is the start of one continuing campaign for election to Congress. Voters are concerned more with qualifications, and it has long been a proven fact that elections are won or lost at the primary level.

Thomas continued, "I think a record has been set for doing nothing. Any representative who has not the courage to fight for jobs in his district should not be returned to Wash-

Time, Place For Lemon Grove Fire Election

Three candidates, including the incumbent, will vie for the office of commissioner of the Lemon Grove Local Fire District April 7 when an election will be held at the L.G. Fire Station, Central and School ln.

Seeking to unseat Robert Vaught, a veteran of six years service, are Parker B. Shumate, a construction foreman, and Noah Lee Tubbs, a former fireman with the department. Vaught, one of three present commissioners, operates the L. G. Camera shop in Lemon Grove and is past president of the L.G. Chamber of Commerce.

The polling place at the Fire Station will be open on election day from 7 a.m. to 7 p.m.

The Commission named Ruth C. Tanner as inspector; June Kliek, judge, and Elizabeth Martin and Bernice Keeton as clerks.

Local Filling Station Hit By Armed Robber

Two youthful robbers, driving a stolen 1957 Chevrolet, held up and robbed a Spring Valley service station of more than $300 in cash Monday night.

The two men, in their early twenties, used a blue steel .22 cal. revolver to force the station attendant, William Bistline, 19, of 9002 Harness st., Spring Valley, to hand over the day's receipts at the station at Sweetwater and Troy.

One of the men stuck the gun in Bistline's ribs and said, "This is a stick-up. I want every cent you've got."

What Bistline had was $200, representing the day's receipts, and $100 in the change bank.

The station is leased to James E. Martin, a former Kansas City professional fighter who has been an area resident for about 20 years. he said.

The men then drove to National City where they stole another car and robbed a liquor store of $100. The second robbery occurred at 12:01 a.m. Tuesday.

Police described one man as having sandy hair and a thin line mustache and of slight build. The other is described as having dark hair and complexion and weighing about 200 pounds.

The first stolen car was found abandoned near the scene of the liquor store holdup. The second car is missing.

Micrometers Missing

Machine tools valued at $383 were stolen from the open garage at the house of Kenneth M. Allison, 8768 Jamacha rd., Spring Valley, Friday night.

A seven-drawer machinist's tool box in which were several micrometers was included in the loot. Other tools in the garage were not taken. The stolen tools were etched with the owner's initials.

Beer, Souvenirs Gone

Robert Mastny, of 1601 Madera st., Lemon Grove, reported Friday that his beer and his souvenirs were missing from his garage.

His loss, not measured intrinsically, was a case of Golden Crown beer, a Japanese officer's sword, 3 feet long, and a gnarled, bone handled 14 inch dagger with a swastika on it.

Floor Firm Victim

The sheriff's department is in for a sticky investigation before it unglues the burglary Friday night at Trico Flooring, 7825 North ave., Lemon Grove.

Joseph Payton, one of the proprietors of the Trico firm, told deputies that a door had been pried open and the firm had been looted of the following:

4 5-gallon buckets of adhesive
5 5-gallon buckets of mastic
4 1-gallon buckets of mastic
12 gallons of linoleum paste.

Sheriff's Sgt. Robert Ryan was stuck with the investigation.

Bumpers Stolen

William King, of 2536 Cinderella way, Lemon Grove, told sheriff's deputies Monday that the bumpers had been removed from front and back ends of his Volkswagon during the night hours. Gone also were his license plates. The plate read "GBR 168". His loss read $40.

Thieves Busy At School

Robert C. Christian, 18, of Lakeside, was attending a basketball game at Monte Vista high school Friday night. When he returned to his car which was left on the parking lot, the steering wheel was missing. It was a "competition" wheel worth $25, he told the sheriff.

In another thievery, Ben Martin Howard, shop instructor at Monte Vista, told police that a transmission used for training purposes had been stolen. He gave police the name of a suspect.

Remote May Be The Word For The Sheriff's New Office

The sheriff's department has been authorized to seek a new, larger, more accessible office but we fear it will not be located in the Lemon Grove-Spring Valley area as we have urged.

Sheriff Joe O'Connor's department in the East County now boasts a personnel total of 85, and with them comes the added protection that a sheriff's office in the community gives. We should give Sheriff's O'Connor's men easy access to almost any point in the county by installing them at the Highway 94-Campo rd. intersection between Lemon Grove and Spring Valley. When the new, north-south southbay-Ramona road is opened, it would bring every community served by the east county sheriff's office within a couple of minutes from the location we have suggested.

But we have no city government to do the negotiating with the county and it is a pretty good certainty that we'll miss getting the station by default.

The Board of Supervisors proposed locating the new headquarters building on county land at Gillespie Field. Such a location would tend to be a disservice to all east county residents except those in the west El Cajon and Santee areas. It's fine to provide for the convenience of the deputies and sheriff's personnel, but not at the expense of public safety. Loss of the minutes it would take to get from Gillespie to the freeway could transform the sheriff's crack department into an awfully sloppy one. A few minutes more on each sheriff's run would make that difference.

It is fitting that our complaint be made within the framework of incorporation because this is so patently an area where city government can do the work that small groups cannot do for themselves.

We think the sheriff's east county station should be near a freeway and at a cloverleaf. We think it ought to be at 94 and Campo. But if the latter is not to be we'd rest easily

THE OUTER LIMITS

By CAROL

Yep — it's a TV program alright, and a real swinger! Yet when you stop to think about it, where are the outer limits today? So much has been said and done in the space field, that a fellow these days can't tell where space begins and ends! It would seem to me that there are no more limits, so how can there be outer limits? One would think the ceiling is off in space and that our world has become limitless. Has it? What about the limits of your world?

Take your home — do you have enough space to serve the whole family? Are the limits too narrow? Maybe you too need to expand your outer limits so that each and every member of your tribe can breathe freely and easily and have room to grow in! And that's where the Nealon Construction Company, of 4689 Felton, in San Diego, come in —because it is their purpose to help the growing family, by expanding the outer limits to their growing world. Have your outer limits narrowed down to crowded living? Then call the Nealon Construction Company, telephone 281-6300, specializing in room additions, garage conversions, new wings—giving you guaranteed workmanship to your outer limits. Remember the Nealon Construction Company—your dependable, reputable licensed building contractor.

GOD'S MINUTE

REV. H. C. BAKKEN

"THE CHURCH"

The "Church" is both **militant** and **triumphant.** The part of the church which is spoken of as the church militant is the body of believers in this present world. They are here to battle against sin and satan. The church triumphant is made up of all those who have died in the faith and gone home to be with the Lord.

if those minutes could be lopped off the runs by freeway proximity, wherever it may be.

One reassuring note was sounded this morning by Sheriff O'Connor when we urged him to consider our recommendation. He said that the Lemon Grove sub-station presently serving Lemon Grove and Spring Valley is a permanent installation.

He said that it woud stay regardless of the outcome of the "main entrance".

Live Long Without Half Trying

Satchell Paige, an ageless Negro baseball player set his philosophy down years ago. It was a way of life with him and he claims it contributed to this athletic prowess at an age that far surpasses his contemporaries.

Mr. Paige, we hope, will forgive the plagerism, as we repeat here his original admonitions:

"Keep the juices flowing by jangling around gently as you move.

"Avoid fried foods which angry up the blood.

"Go lightly on the vices such as carrying on in society.

"If your stomach disputes you, lie down and pacify it with cool thoughts.

"Avoid running at all times.

"Don't look back — something might be gaining on you."

A mighty simple philosophy and we don't know how you could improve on it.

"I have lived here since 1928 and all my interest and affection is in this district. I was graduated from Sweetwater High School and my wife and three sons were all born here in this district. THERE'S AN EXTRA INGREDIENT IN JACK-IN-THE-BOX FOOD

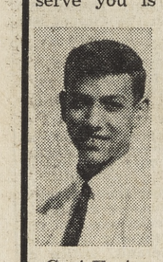
There's more to a Jack-in-the Box hamburger than edible ingredients. There's the loving care and interest each employe puts into the product. No part of Jack-in-the Box operation is hidden. Jack-in-the Box personnel are always on stage. Each works on a sort of glass-walled stage. You can always be sure that his performance is good and his appearance perfect.

One of the people who serve you is Curt Foster. This 19 year old youth, who lives in Lomita Village, is a student at San Diego City College.



Curt Foster

He spends his spare time tinkering with his 1955 Chevrolet which he has almost completely rebuilt. He earns money for his hobby and his schooling here at the Lemon Grove Jack-in-the-Box at Broadway near Kempf street.

When Curt finishes school, he plans to operate his own Jack-in-the-Box. "It's a good business to be in," he says. "The business administration course I'm taking will help me make a success of it. I like the idea of being in business for myself even though the hours might be longer than if I worked for someone else."

Curt, and other conscientious young men like him work at the L. G. Jack-in-the-Box. We thought you'd appreciate knowing a little of the personal side of our co-workers so that you'd realize that service here is more than just a job . . . it's a well-defined way of life.

Sincerely,

ington to be a rubber stamp for the Administration."

Cites Disaster

His reason for entering the race, Thomas said, "is because such a vast number of concerned citizens and party leaders feel we cannot afford another defeat in the 37th District". Thomas indicated, "Another term with Van Deerlin may well mean economic disaster for the area".

Thomas worked as a laborer and heavy equipment operator in the construction industry, as a meat cutter, and as sales clerk, sharing first-hand the thoughts, hopes and needs of labor.

He has worked hard to build the area of his residence. The City Council of El Cajon named him chairman of the committee for studying and rewriting portions of the Building Code of the City of El Cajon. As a member of the Chamber of Commerce he has served as chairman of the Legislative Action Committee. He has served as chairman of college and church committees and boards. He has served in trade organizations — as secretary of the National Serve-Yourself Gasoline Station Association, and as president of the San Diego County Serve-Yourself Gasoline Station Association. Both he and his wife have been associated with the local Parent Teachers Association.

Deputy Sheriff

Thomas is active in the field of law enforcement, is a special deputy sheriff and a member of the Police Reserve of El Cajon, Sheriff's Aero Squadron. He is also a member and has been associated with: Finance Chairman, Billy Graham Crusade, 1964;

Member of the Board of Trustees, Grossmont Hills Bible Church; Member Spring Valley PTA;

Member of the American International Charolais Association;

Member of the Aircraft Owners and Pilots; and

He is now developing $2½ million in luxuary apartments and a private club.

Thomas' work has taken him to 33 foreign countries in a variety of capacities . . . working with refugees in West Berlin, fighting Communism in India . . . in the Peruvian jungles working with the Wycliffe Bible Translators and as a delegate to the International Christian Youth convention in Madras, India. He lives at 10022 Diversion dr., Spring Valley, with his wife and three children.

All of the said work hereinbefore generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, contained in Document No. 341620, on file in the office of the Clerk of said Board of Supervisors and copies of which are on file in the office of said Engineer, and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board of Supervisors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars ($50) or more remaining unpaid after the last date for payment of assessments, as specified in the statement provided by Section 5390 of the Streets and Highways Code of the State of California. Said statement shall be mailed to each property owner within the assessment district at least thirty (30) days prior to the last date for payment of assessments. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September first following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next September first after their date until the whole is paid. Said bonds shall bear interest at the rate of six per cent (6%) per annum, interest payable semi-annually, by coupon, on all sums unpaid until the whole of said principal and interest is paid; and said bonds shall provide that if said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five per cent (5%) of the unmatured principal shall be paid. Said bonds shall be issued and the principal, interest and premium shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Supervisors, of more than local and ordinary benefit to the public and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Supervisors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district as shown upon that certain map bearing Improvement Act Area No. 121 indicating the exterior boundary lines of such district, which map, approved by said Board of Supervisors, is on file in the office of the Clerk of said Board of Supervisors of the County of San Diego as Document No. 341621, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to the map for a full and complete description of the assessment district and the map shall govern for all details as to the extent of the assessment district.

The said Board of Supervisors has heretofore directed the Superintendent of Streets in accordance with Section 5254.5 of the Streets and Highways Code to include in the contract a provision for liquidated damages in case the work called for under the contract is not completed within the time limit as prescribed by the specifications and contract (or such extension of time as may be granted by the said Board), and has fixed the sum of $50.00 per day for each and every calendar day's delay in completing the work in excess of the number of calendar days prescribed.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 17th day of March, 1964, at 11:00 o'cock a.m., in the chamber of the Board of Supervisors of the County of San Diego, Room 310, City and County Administration Building, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors of the County of San Diego, in Room 306 of said City and County Administration Building, not later than the hour hereinabove set for hearing. No other protests or objections will be considered. If the person signing the protest is not the owner shown on the last equalized assessment roll, the protest must contain, or be accompanied by, written evidence that such signer is the owner of the property.

The Clerk of this Board of Supervisors is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review, the newspaper hereby designated for that purpose by this Board.

The Clerk of this Board of Supervisors is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to said Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Clerk of this Board of Supervisors shall, upon completion of the mailing of said notices, file with this Board an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet (300') in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Clerk of this Board of Supervisors an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911" and amendments thereto.

Attorney To Face Shoplift Charge

T. T. Crittenden, 57, a La Mesa attorney who has been in the toils of the law since Dec. 29, was ruled sane Monday after a hearing before three psychiatrists. The ruling was issued by Superior Court Judge J. C. Toothaker.

Crittenden had demanded a jury trial on the question of his sanity and Judge Toothakes ruled that Crittenden is aware of proceedings against him and can cooperate in his defence against a shoplifting complaint.

Crittenden is accused of shoplifting. He is reported of having taken $1.05 worth of items from Handyman, a hardware store in La Mesa, on Dec. 29. He failed to appear several times during court hearings and was jailed under $1,000 bail. He was released on bail pending the trial he demanded. Originally, he was freed on his own recognizance.

He was remanded to the El Cajon Court by Judge Toothaker where Municipal Judge Don Smith ordered him to appear this week on Thursday. Judge Smith set aside the cash bail and allowed the attorney to go free on his own recognizance.

Crittenden had demanded a jury trial in January after he pleaded innocent in an El Cajon Court, and innocent by reason of insanity.

TB Tests Slated For 8th Graders

Eighth graders at Junior High schools in Lemon Grove and Spring Valley will receive skin tests March 16 and 19.

Drs. George B. Brassington and Edwin C. Grubbs, both of Lemon Grove, serving on a voluntary basis, will administer the tests at Lemon Grove Junior High. Mrs. Kirkham Campbell, a public health nurse, will "read" reactions to the doctors.

The skin tests will be given to Palm Junior High eighth graders on the same days at 1:40 p.m.

Drs. Frank W. Hattox and Sam W. Smith, both of Lemon Grove, will administer the tests.

In Spring Valley tests will be given at Santa Sophia Academy on March 16 and 19 at 9 a.m.

Spring Valley Junior High eighth graders will get their tests March 31 and April 3 at 10:30 a.m. The tests will be administered by Dr. Herman S. Ranch of Spring Valley and Drs. Gladden V. Elliott and Quentin H. Lehmann of La Mesa.

Tests are to be given at St. John of the Cross school next month.

Financed by local Christmas Seal contributions, the program is a project of San Diego County Tuberculosis and Health Association.

The painless test deposits a harmless test material in the upper layers of skin. It will be offered to about 18,000 students in the county.

The tests does not prove the existance of tuberculosis but a positive reaction indicates that there has been exposure to the disease. In such cases, chest x-ray is recommended.

Parental permission is required before the test will be administered. All schools, public or private, are involved in the project. Younger children this year will also be tested in many elementary grades to determine if significant differences in exposure patterns can be determined.

MILLS TO OPEN OFFICE

Assemblyman James R. Mills, seeking re-election in the 79th Assembly District, announced today the official opening of his North Park Campaign Headquarters at 3176 University ave.

The Assemblyman will return to San Diego from Sacramento, where he is attending the Budget Session of the State Legislature, to participate in ceremonies on Saturday, March 14. From 4 to 6 p.m. there will be a "coffee party". Invitations have gone out to a number of Mills' supporters.

LeMac TV Service

466-8832

Many things have happened since LeMac TV Service expansion a year ago that we want to report to you.

First, we decided to personally handle all local calls on sales, service and antenna installation right here at my shop — at 3562 Grove st., in Lemon Grove. My telephone number is HO 6-8832. Stick this announcement in your TV, stereo, hi-fi or radio set for future use. We'll fix or replace any one of them at sensible prices.

Next, the California television licensing Act recently became effective, and we believe it will help get some of the semi-skilled repair people out of the business. That is good for you because you will not have to pay us to fix it after you have paid someone else to work on it. We are qualified professionals (as the Act requires) and we have been in the business since 1936 (almost 28 years).

We are also members of the famous PEET organization. That name stands for Photofact Electronics Equipped Technician. PEET training and equipment make good their slogan: "The PEET man knows your set best."

If you have an electronics problem, call us at HO 6-8832. It doesn't cost anything to talk and we're willing if you are.

VAUGHT ATTENDS PHOTO GROUP CONVENTION

A Lemon Grove camera shop operator has returned from Chicago where he attended the photographic trade show.

Robert Vaught, proprietor of Lemon Grove Camera, 7848 Broadway, attending the 40th annual convention of Photo Dealers and Finishers Convention said that the emphasis by the national group is on the coming World Fair at New York.

School Board OKs Kempf St. Widening

The Lemon Grove School board Monday night approved sending two teachers to the County Department of Education's six-week Spanish language workshop this summer.

The course, to be given this summer, is aimed at meeting the state's mandatory requirement that languages be taught in 1965. Byron Netzley, school superintendent, said that the program in Lemon Grove is about a full year ahead of the state's schedule.

The board was advised that the County Road Commissioner had agreed to the district's requirements for granting an easement along Kempf st. due to widening. Some of the requirements include relandscaping the area and replacement of sidewalks and fences.

The scheduled meeting with the La Mesa board of trustees in La Mesa on the matter of school district organization was cancelled at the request of the La Mesa trustees because only three members of the board were present Monday night.
